

S.S.S. A GREAT TONIC AND BLOOD PURIFIER

There is one reason above all others which makes S. S. S. the greatest of all tonics, and that is because it is the most perfect of all blood purifiers. Any system which needs a tonic, needs a blood purifier, for it is impure blood which causes the weakened, run-down condition of the body. S. S. S. is made entirely of roots, herbs and barks, which possess not only strengthening properties, but at the same time are recognized as ingredients of the greatest value for removing every impurity, poison or taint from the circulation. S. S. S. improves the appetite and digestion, corrects stomach disturbances and steadily tones and builds the system up to perfect health. It adds to the blood the rich, healthful properties it needs, and in every way enables the system to stand the strain of the long, hot summer. S. S. S. cures all diseases and disorders arising from weak or impure blood. Book on the blood and medical advice free. S. S. S. is for sale at drug stores.

WHY, SURE!

You can rely on
HOSTETTER'S STOMACH BITTERS
to give you quick relief in cases of Poor Appetite, Indigestion, Headache, Cramps or Diarrhoea.

A TRIAL ALWAYS CONVINCES.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c.

Take Hall's Family Pills for constipation.

GOLD CAMP THREATENED BY FIRE IN IDITAROD

Gasoline Lamp Explosion Causes Destruction of Block in Town's Center.

Iktarod City, Alaska, via Kaltag.

For the second time in its brief history this camp was nearly destroyed by fire early today, when, following the explosion of a gasoline lamp, a city block between Willow street, on the river, was razed to the ground, entailing a loss of \$100,000.

Ten stores and a number of dwelling houses were burned.

The explosion that caused the fire took place in a small restaurant. Hundreds of volunteers formed a bucket brigade and passed water from the river, but every building between the restaurant and the river was destroyed.

The burned block adjoined the section which was swept by fire last winter.

ROOSEVELT MAKING HAY.

Former President Busy on Farm at Sagamore Hill.

New York.—Brown as a berry, with callouses on his hands and the scent of new mown hay about him, Colonel Roosevelt looks every inch a farmer these days. He is getting his hay crop in at Sagamore hill, directing the work in person, doing his full share of it and incidentally having the time of his life. If the colonel is taking any interest in politics, public affairs or anything except his crop, he is keeping it to himself, for he declines to discuss anything else for publication. He will make hay enough to supply his own needs and may have some to sell.

Denver Magnate Is Granted Legal Separation from Naughty Wife.

Denver, Colo.—John W. Springer was granted a divorce today from Isabel Patterson Springer. The charge was mental cruelty.

Springer testified that recent publications concerning the relations of Mrs. Springer, Ballonist Von Phil and H. F. Henwood, and evidence at the trials of Henwood had greatly humiliated him, and the court held that his allegations were sustained.

FALLS A THOUSAND FEET.

Shocking Death of a Miner in Amador County.

Jackson.—Charles Goodell, employed in the Bunker Hill and Amador mine, stepped from the cage at the 200-foot level into the shaft and fell 1000 feet. The body was horribly mangled, the head and left leg having been severed. The accident happened while going on shift. He was an Italian, 42 years old, and left no relatives in this country.

USES GASOLINE HARVESTER.

Hoosier Farmer Adopts New Method in Wheat Cutting.

Columbus, Ind.—Charles Spelce, an up-to-date farmer near here, began cutting his wheat today, and he is propelling his reaper with a gasoline engine, a method never before used in this country. He uses but two horses, and he cuts a third more wheat a day than with the old method of horse power.

SHOOTS WIFE, KILLS SELF.

Woman Is Expected to Recover from Bullet Wounds.

Spencer, Ind.—Mrs. Orden Phillips, who was shot by her husband yesterday, will probably live, said her physicians today. Phillips, a glass worker of Fairmount, Ind., after shooting his wife killed himself. It was thought at first that the woman would die. On the body of the dead man was found a note declaring the man's intention to kill the woman if she would not consent to return to live with him.

PRESIDENT SWEATERS IN HIS PRIVATE TOURING CAR

Pittsburg, July 5.—Despite the numerous electric fans and large quantities of iced water, the temperature was 90 degrees in President Taft's car when it arrived here this afternoon. The president appeared on the rear platform and waived his hand to the sweltering crowd. He looked uncomfortably warm. His train started for Washington immediately.

FOUR MINISTERS IN SUIT.

Baseball Player Demands Damages From Them.

Nebraska City.—On July 5, 1910, Ray Beaver, charged with being a member of the Auburn baseball team that came to this city and played with the Nebraska City team on Sunday, was arrested at that place and brought here and placed in jail. The complaint against the baseball players had been filed by four preachers—the Rev. G. Wright of the Methodist Episcopal church, the Rev. J. A. Koser of the Lutheran, the Rev. Frank S. Lyon of the Baptist and the Rev. Arthur E. Perry of the Presbyterian church.

After Beaver had been in jail for a short time it was ascertained that he did not play with the Auburn team here on that date and was not in the county. He threatened to bring suit for damages then, but deferred until yesterday, when, through his attorneys, one from this city and the other from Nebraska county, filed a suit asking for \$5000 damages for false imprisonment. All of the defendants are residents of this city, but the Rev. Mr. Wright, who is now district superintendent for the Methodist church for this part of the state.

While Sunday baseball is played every Sunday in all of the small towns in this county, not a single game has been played on Sunday since that date. All of the players who were arrested at that time were held under bond until the close of the season, and then the case was dismissed. Beaver's attorneys have promised to push the case, but only two of the ministers are fairly well to do and it will be hard to enforce a judgment against all of them if one is secured.

MUD PREVENTS SUICIDE.

Policeman Arrests Man Who Can't Drown in Shallow Water.

Oklahoma City, Ok.—After twice sticking in mud in an effort to commit suicide by drowning himself, E. B. Siddons was unable to pull himself out of the mire and escape before an officer arrested him.

Siddons jumped into the river. The water was three feet deep, and holding his head under apparently placed him in too uncomfortable a position. So he climbed to the bank and tried again. The water was still three feet deep. So was the mud.

An officer arrested Siddons before he could extricate himself after the second attempt.

FREE GIRL OF MURDER CHARGE

Dr. William C. Latsen, Young Secretary's "Man-God," Called a Suicide.

New York.—A coroner's jury returned a verdict that Dr. William C. Latsen was a suicide. The jury absolved Alta Markheva, the physician's secretary, from all suspicion of being involved in the man's death.

The body of Dr. Latsen was found in his apartments, 660 Riverside drive, on the night of May 11, and suspicion pointed to the young Markheva girl, who was the last person in his company and who made the discovery of the body.

She was arrested and while in the West Side prison attempted to end her own life. She admitted that she had been infatuated with the young physician and declared him to be her "man god."

This Man Has Toad Garden.

Greeley, Colo.—Probably the most unique garden in this section of the country is that of J. V. Crone, which is devoted to the breeding of toads as well as the raising of garden truck.

Mr. Crone has caught hundreds of toads and put them on his place. He declares they are the worst enemy of the fly and says the time will come when people will domesticate them for the purpose of ridding their premises of flies.

Already the toads have cleared away every fly from the Crone place and neighbors attribute the absence of flies from their premises to the Crone toad garden.
